MNHS Symphonic Band Students & Parents:

Big thank you to those who attended the Lone Star Wind Orchestra Concert. That was by far the largest audience I have ever gotten to play for with that group in my 7 years performing in Lone Star. The band directors will always make you aware of extra credit/enrichment concerts and masterclasses for students and parents to attend.

Please go over the attached announcements carefully.

**EXTRA ANNOUCEMENTS:**

Make time to practice with your ENSEMBLE outside of class time. The preparation in sectionals and class will not be enough to earn you a division one. Go by the checklist we gave you, and use your time before/after sectionals to meet with your group.

Concert Week! Make sure you have your band shirt ready for Friday. Every Symphonic Band student is responsible for staying until the concert is over. Honors Band will be setting up the cafeteria after school, so it will be our job to clean all the chairs and stands back after the concert concludes (winterguard members are excused, as they will be performing in the gym).

PASTA DINNER TICKET ORDERS are due tomorrow (MONDAY). Please make sure to pre-pay for your meal.

Let's have a great week and a great performance on Friday. I hope to see all parents on Friday for the Pasta Dinner and Raffle. Symphonic Band begins the evening at 6pm. I can't wait for you hear the great music we are making with all the bands at MNHS.

~Josh Kurzweil  
Asst. Band Director, MNHS
