Quotes

Talent is never enough. With few exceptions the best players are the hardest workers.

Magic Johnson

Obstacles are what you see when you take your eyes off your goal.

Jim Lefebvre

Really it comes down to your philosophy. Do you want to play it safe and be good or do you want to take a chance and be great?

Jimmy Johnson

Nobody ever attains eminent success by simply doing what is required. Success comes from the amount of "extra," which is over and above the required. Therein lies the formula for greatness and ultimate distinction.

Congratulations Winterguard!
